May Open Match 08 - Match Date: 5/4/2008

Combined divisions - These are NOT official result

Stage four had to be deleted from the match due to stage props being moved. Since it could not be determined which squad shot with the barrels out of the way at the final array, USPSA rules state that the stage MUST be removed from the match. Please refrain from altering stages. When this happens, by the rules, we must remove it from the match. Volunteer stage designers put in a lot of time and effort to make stages that are fun and challenging. When people alter those stages, we as a community lose out because all of the effort of the stage designer is wasted when the stage is removed.

If you have ever had the idea in your head that you would like to help build a stage, we would be more than happy to lend you a hand and have you learn how to acquire this very valuable skill. This is a volunteer sport and without volunteers, none of the stages or matches could go on. We all like to "shoot & scoot" but without people volunteering to help run the match and help build stages, the level of competition may wane due to burnout. Please volunteer to help out the day before a match. Stage Designers shoot for free and helpers shoot for \$10. Contact the Match Director of the current month for more information or the webmaster.
